

Cool im Pool
Die Schwimmschule

Important rules of the swimming club Bottmingen-Oberwil swimming school *Cool im Pool*

Effective from September 2020 (latest update 29 August 2020)

Since there've been many misunderstandings and discussions in the past, we kindly ask you to respect the following points:

I. Lesson start and -end

- ¹ For the indoor pool in Oberwil, the children need to wait for their teacher, changed into their swimming gear, in front of the changing rooms upstairs. The teacher will then go down to the pool with the whole group and is from this point on responsible for all participants.
- ² For the indoor pool in Bottmingen we kindly ask the participants to wait inside the pool, changed into swimming gear.
- ³ After the lessons, the children need to shower and change by themselves. **The teacher is no longer responsible for your child, after the lesson is over.**

II. Pool entrance for participants

- ¹ **For the indoor pool in Oberwil, you receive the entrance card before the first lesson on site.** This card is only valid during the time of the lessons. The card will not be automatically retained in the machine after the 9th and last lesson. **We kindly ask you to return the card to the swimming teacher after the last lessons.** Equally, we kindly ask you not to label the card or use any stickers on it. Lost cards will be replaced after paying a 20.- CHF replacement fee.
- ² The entrance card needed for the indoor pool in Bottmingen is on top of the turnstile by the entrance. Please put the card back for the next participant.

III. Chaperon

- ¹ **On Tuesdays, Wednesdays and Thursdays chaperons can join the children** for example, help them with changing or showering. You don't have to pay any entrance fee. Please ask the lifeguard, he will let you in. The entrance card you'll receive before the lesson start is included in the course price and only valid for the course participant (your child).
- ² Because of hygienic reasons, **you are not allowed to enter the pool area in street clothes or shoes.** You must wear swimwear!

IV. Special rules for the indoor pool in Oberwil during the swimming lessons

- 1. Please do not jump over the turnstile nor sneak underneath it.**
If you wish to enter the hall again after you have already passed the turnstile (because you have forgotten something, for example) please go to the attendant. He/She will be more than happy to help you anytime.
- 2. Please do not change your children in the entrance area nor blow-dry your child's hair by the little tables**
Due to hygienic reasons it is not allowed to do so.
- 3. Problems and questions on-site during the lessons**
The attendant is not responsible for lost cards or such. The head of the swimming school will be there the first two weeks of lessons and will be more than happy to answer all questions. If there should be more questions after the first two weeks, please contact one of our swim teachers or send us an e-mail and we will do our best to help you anytime.
- 4. Problems with lost cards or the swimming lessons**
Please contact *Cool im Pool* by e-mail and not the attendant. *Cool im Pool* replaces your card after you have paid a replacement fee of 20.- CHF.
